

## TREE CANDIDATE FOR HALL OF FAME

(By Associated Press)  
CHICAGO, Sept. 11.—Chicago has a candidate for the hall of fame for trees. It is a giant white maple nine feet in circumference at the base, 80 feet high, and estimated to be 1000 years old.

The big maple stands in the Cook county forest preserve near Glenview. Ransome Kennicott, chief forester of the preserve, who recently examined the tree and computed its age, found that, while the heart was dead, the exterior was sound and the tree capable of lasting many more years. So far as known the tree is the oldest living thing in Illinois, according to Mr. Kennicott.

## PIGEONS MAY CARRY MAILS

(Correspondence of Associated Press)  
DUBLIN, Aug. 24.—Dublin castle has had so much official mail for London intercepted by Sinn Feiners that officials are reported to be inaugurating a carrier pigeon service. A large consignment of army pigeons has arrived in Dublin and more are expected. The flight to London is roughly 500 miles.

## DAY CO. NAMES NEW PRESIDENT

According to the San Francisco Chronicle, announcement has been made by the Thomas Day company, the oldest lighting fixture house in the United States, founded early in the last century in New York by Thomas Day, that Whitman Symmes, grandson of the company's founder and son of Frank J. Symmes, who was president of the concern until his death in 1916, has become president. W. F. Gray will be the new vice-president of the company. Whitman Symmes is well-known throughout the west as a business man and engineer.

## JAPANESE CENSUS CAUSES PROTEST

(Correspondence of Associated Press)  
HONOLULU, T. H., Aug. 21.—Announcement of a Japanese government census of Japanese in the Hawaiian islands has drawn a protest from several American-born Japanese in Honolulu. They declare they are Americans, are not amenable to the laws of Japan and should not be included in any consular census of Japanese subjects in the islands.

Consul General Yada of Japan announced that census slips would be mailed to all Japanese in the Territory foreign and American-born alike and that they could fill them out or refrain from doing so, just as they pleased.

His government, said the consul, merely wished to obtain reliable information on the Japanese population of the island, but that the furnishing of this data would be voluntary on the part of individuals.

## U. S. BARTENDERS GET GOOD JOBS

(Correspondence of Associated Press)  
LONDON, Aug. 27.—American bartenders are invading England and getting jobs in the more pretentious bars and clubs frequented by young men because of their ability to mix cocktails. Older Englishmen still stick to their "scotch and soda" but the younger generation is getting the cocktail habit.

One bartender when applying for a position at a big club told the secretary he could mix 500 different drinks. The Englishmen answered him with that expression so familiar to Americans when they try to tell English folks of what a glorious country America is, but hired him anyhow. He has not run through his alleged repertoire yet, but has made good.

## SOUTHERN GENERALS TO GET MEMORIAL

(By Associated Press)  
WINCHESTER, Va., Sept. 11.—Memorials to two confederate generals, Stephen Dodson Ramseur and James Johnson Pettigrew, both North Carolinians, will be unveiled near here during the coming week at the places where they died. Many Southerners, principally North Carolinians, are expected here for the exercises which will be under the joint auspices of the North Carolina division of United Confederate Veterans, the North Carolina division of United Daughters of the Confederacy and the North Carolina Historical commission.

The memorial to General Ramseur which marks the Belle Grove house where the general died October 20, 1864, will be dedicated on the afternoon of September 15. The memorial to General Pettigrew which marks the Boyd house where he died

July 17, 1863, will be dedicated on the morning of September 17.

The two memorials consist of granite columns, the gift of the late Colonel P. H. Mayo, of Richmond, Virginia.

At the Ramseur memorial dedication Thursday afternoon the speakers will include Major Charles M. Stedman, formerly a member of General Ramseur's staff and former Senator Henry A. duPont, of Delaware, who was a classmate of General Ramseur at West Point, afterward an officer in the union army, and who was with General Ramseur at the time of his death. General Ramseur was mortally wounded at the battle of Cedar Creek, near here, and fell into the hands of the union army under General Philip Sheridan. He was taken to Sheridan's headquarters at the Belle Grove house, where he received every attention from both his own and federal surgeons, in spite of which he died October 20, 1864.

Dedication of the memorial to General Pettigrew will take place Friday

day morning, the principal address being by Chief Justice Walter Clark of North Carolina, while General Louis G. Young, of Savannah, Ga., an intimate friend of Pettigrew, also will make an address.

General Pettigrew commanded Hoth's division of the confederate army in Longstreet's assault on Cemetery ridge, July 3, 1863. During Lee's retreat from Gettysburg, he commanded the rear guard of the confederate army and was wounded at Falling Waters, July 14. He was moved at once to Boyd house near here, where he died July 17, 1863.

# Broken Hills

San Francisco Stock Exchange

29c Bid, 30c Asked

## TO INVESTORS:

Buy Broken Hills Silver Corporation stock, now listed on the San Francisco Stock Exchange, quoted today at 29c bid, 30c asked. DO IT WITH BOTH HANDS.

The stock is, in my opinion the one best speculative purchase on the whole list of cents-per-share mining securities traded in ANYWHERE.

I predict for it a raise of 100 per cent in 30 days, 200 per cent in 60 days, and 300 per cent in 90 days. Within a year, it may sell up to \$5 a share.

I was in Goldfield in the early days, just after the Combination mine changed hands for \$75,000. At that time Mohawk went begging at around 5 cents a share, Jumbo sold at 10cents a share, Goldfield Mining at 10 cents a share, Red Top at 8 cents a share. I wrote the first advertisement which offered Goldfield Laguna stock for sale at 15 cents a share.

Two years later, the \$36,000,000 Goldfield Consolidated Mines Company was incorporated. It took over the Combination Mine for \$4,000,000, Mohawk Mining stock for \$20 a share, Red Top Mining stock for \$5 a share, Jumbo at \$5 a share, Goldfield Mining at \$2 a share, and Laguna at \$2 a share. In fine, a total capitalization of six companies, which sold originally for \$320,000 rose in value in a short period of time to \$36,000,000. Goldfield has produced to date close to \$100,000,000 in gold.

Tonopah Mining Company shares advanced from 50c to \$23 per share in the early part of the Company's career. Tonopah Extension shares rose from 15 cents to \$13 per share. A host of others, purchased in the pre-boom days of newly discovered Nevada bonanza camps, multiplied in stock market value many hundreds and thousands per cent.

I predict for Broken Hills stock a record-breaking, hair-raising, country-wide market career of the kind which marked the boom days of Goldfield and Tonopah.

Buy the stock NOW, at the BEGINNING. Order the shares transferred into your own name, and hold them pending complete mine development.
